to specify your chair...

1. Check the **Standard Features & Finishes** and select the **Model** you require
2. Select the **Fabric Band** for the fabric you are using (standard fabrics are listed on page 002), this will give you the basic price per chair
3. Select any **Optional Extras or Alternative Finishes** you require and add on any extra costs as shown per chair
4. You now have the total cost and specification for **Your Chair**
