## Noah

*Designed by Samuel Wright*

Workspaces are becoming more open, flexible environments, taking inspiration from domestic interiors. The Noah collection creates a relaxed breakout area as well as a contemporary timeless aesthetic to an atrium or lounge.

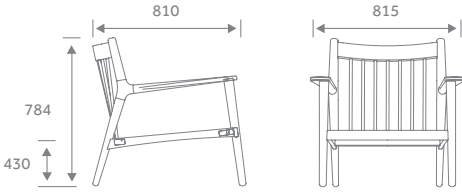

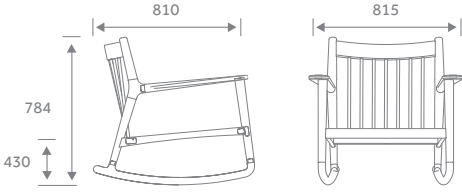

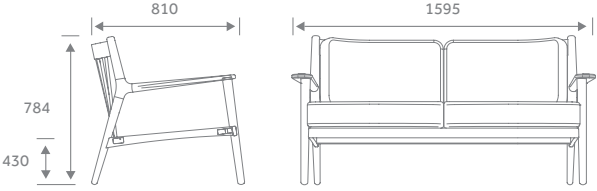

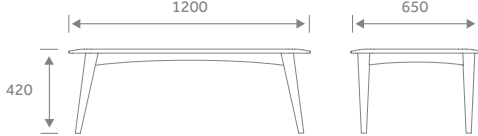

This collection celebrates the craft of the British manufacturing industry, using traditional techniques to produce contemporary timeless pieces. Noah was influenced by the iconic styles of 50's British and Danish design whilst considering emerging trends within design and the working environment.

### Features
