
create + connect

**If you're looking to stay
ahead in flexible design,
then Raft+ is your solution.**

A modular system offering endless configuration possibilities, Raft+ breathes life into office and hospitality settings, giving you the power to control and style your space.

Featured Products

R+/CONFIG/1

Reef table white MFC 800mm dia top, 600mm dia base

Featured Products

R+/CONFIG/4

Reef table white MFC 800mm dia top, 600mm dia black base

Designed with flexibility in mind, Raft+ includes straight and curved single, double and triple units, benches and corner pieces.

Organically shaped to inspire your surroundings, Raft+ can be specified in two distinct back heights, two base options and with power and data modules giving you more choice than ever before.

Opt for a traditional look with a timeless banquette combination or create that modern collaborative environment. Ultimately, with Raft+ the choice is always yours.
