24/7 AND HEAVY DUTY

24/7
chair

Facilities where people work around the clock require the right equipment. It is important to have the best chair to ensure performance throughout the working day/night, when concentration is a must. **AM:PM** has been designed for constant use, to give high levels of comfort, with a sturdy steel structure and the use of fabrics that will cope with 24/7 use.

offers continuous support and comfort through those extended hours of work

A metal structure inside the back rest makes the chair robust and sturdy.

Moulded foam padding on back and seat offer great comfort and retains its shape.

High performance ISB mechanism to suit the 24h environment. Weight setting up to 190kg/ 30 Stone.

3 year guarantee
within 24h use

Integral headrest, bend forwards to relax neck and shoulders.
