

A modern outdoor lounge area featuring a swimming pool in the foreground. The pool is surrounded by a light-colored stone deck. In the background, there is a building with large glass windows and a balcony. The interior of the building is visible through the glass, showing a dining area with tables and chairs. The overall atmosphere is clean and contemporary.

## Hygiene Protection Screens

Leisure Hygiene Protection Screens have been specially designed to adapt to the current personal separation guidelines.

Our screens provide a protective barrier against pathogens carried by coughs and sneezes and can easily be cleaned and maintained.

The screen divisions are available in frosted or transparent acrylic.

All materials used within our screen ranges are recyclable. Plastic recycling plays a pivotal role at Elite, and we can guarantee all plastics used are recyclable and adheres to our companies Plastic Policy.

Our Hygiene Protection Screens can be easily assembled or disassembled for secure storage when not in use.
