

**OptimaPlus**  
Cantilever Desking Range

## OptimaPlus

**Optima Plus** has been designed with emphasis on wire management solutions. The design enables the swift and effective installation of desk top hardware via discreet apertures in the modesty panels and removable rises within the leg upright.

At Elite we continuously invest in design and manufacturing technology to enhance modern and innovative product solutions.

John Hull  
Managing Director

## Technical Specifications

Floor to desk top access via a removable leg cover plate

Removable cable covers allows access to the leg frame vertical channel

Accessories compatible with all Optima Plus desking

Rigid underframe for strength and stability

Modesty panel cable apertures with removable inserts for easy access

Corner leg cable access on Crescent, Symmetrical & 120° workstations

Stylish Square Cable Ports shown with optional desk dividing screens

## Exploded Diagram

OPR16 - Rectangular Desk (1600mm x 800mm x 725mm)

## Rectangular Desking

A traditional shape is the rectangular desk. Grouped in multiples, or simply as an individual workstation, this simple design will blend into any office. Shown with contrasting mfc finishes and separation screens.

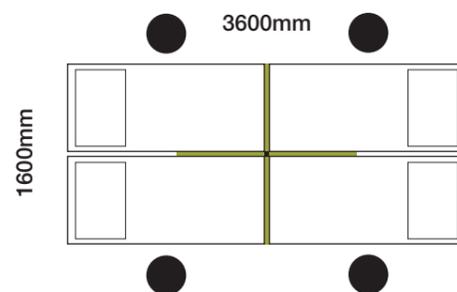

Shown:
