X•Time work / glass

Forme geometriche lineari e componibili, tonalità raffinate che si alternano in trasparenze ed opacità, cristallo, legno e metallo costituiscono un elemento fondamentale per gestire e personalizzare lo spazio direzionale.

Linear and modular geometrical shapes, elegant shades change into transparencies and opacity; wood and metal are the key to manage and to personalize the executive space.

X•Time work / glass

Programmi direzionali integrabili in melaminico e cristallo.
Modular managerial lines in melamine and glass.

X•Time work glass

Le diverse soluzioni possibili consentono una totale libertà nella composizione dello spazio.

The various solutions allow a complete freedom on the composition of the space.

La scelta dei materiali, degli accostamenti e dei particolari sono accurate e attraverso le combinazioni compositive danno origine a soluzioni stimolanti, gradevoli e funzionali.

Choice of materials, colour combinations and details have been chosen with care; the different compositions create exciting, beautiful and functional solutions.

X•Time work glass

X•Time work glass

L'originale design che caratterizza gli elementi rende l'insieme unico ed inimitabile per una configurazione personalizzata dello spazio.

The original design of its elements makes the line unique and original; you get a personalized configuration of your working space.

X•Time work / glass

La definizione dell'area direzionale:
concezioni formali all'insegna della
funzionalità, interpretata dagli elementi in
cristallo in grado di esplorare un'ampia
gamma di approcci estetici.

The definition of the executive area:
formal concepts for functionality,
interpreted through the components in
crystal which give a wide range
of aesthetical solutions.

Uno spazio con la propria identità.
Dall'essenzialità delle forme emerge una
naturale eleganza che predilige la semplicità
dalla forte presenza del legno.
A space with its own identity. A natural
elegance rises from the essential shapes;
priority is given to wooden details.

X•Time work / glass

Le infinite espressioni della luce.
The infinite expressions of light.

Una collezione completa. La completezza è la caratteristica della proposta d'arredo articolata per rispondere ad un progetto d'arredo completo e stilisticamente coerente in ogni suo componente.

A complete line. Completeness is the characteristic of the furnishing proposal to give an answer to a complete furnishing project bearing in mind also the style.

X•Time work / glass

L'architettura degli spazi e della trasparenza
The architecture of spaces and of transparency.

Chiaroscuro fondamentale. Il rigore della geometria per un gioco tra chiaro e scuro, fondamentale in un progetto d'arredo dalle suggestive forme.

Impressive light and shade effect. The severity of geometry for an effect between light and dark, necessary in a furnishing project of suggestive shapes.

X•Time work / glass

Lo scenario delle decisioni importanti.
Where important decisions are made.

X•Time work

Un'interpretazione del classico. Uno spazio con la propria storia, vissuto con stile contemporaneo. Dall'essenzialità delle forme emerge una naturale eleganza.

Interpretation of classic style. A working space with its own history, lived in contemporary style. A natural elegance is coming out from essential shapes.

Ambienti essenziali. La linearità convive con elementi sinuosi e curvilinei. Un progetto in cui si integrano nell'architettura abbinandosi alla luminosità del cristallo.

Essential environments. Linearity lives together with winding and curvilinear elements. A project where elements integrate themselves into the architecture matching the brightness of the crystal.

X•Time work

Un ritorno alla realtà compositiva, all'essenzialità delle forme. Semplicità e rigore definiscono la grande scrivania in cui si fondono con naturalezza tradizione del legno e riflessioni del cristallo.

Back to the compositive reality, to the essentiality of shapes. Informality and strictness define the desk where the tradition of wood and the reflections of crystal blend together in a natural way.

X•Time work glass

La naturalezza del cristallo, per una soluzione che suggerisce l'idea di uno spazio puro, incontaminato, composto da aree funzionali e da grandi superfici.
Crystal is natural and it gives a solution for getting a pure space composed by functional areas and wide surfaces.

X•Time work

Un luogo di lavoro al cui centro si colloca la scrivania, che è fulcro di uno spazio destinato agli incontri, alla socialità.
Desk is in the centre of the working area and it is the heart of an area for meeting people.

X•Time work

L'incontro tra metallo e cristallo in una sintesi compositiva evoluta. Ogni elemento rappresenta la ricerca della massima sintesi tra forma e funzione.

Metal and crystal are meeting together in a modern compositive synthesis. Each element represents the search of the maximum synthesis between shape and function.

X•Time work / glass

Uno stile internazionale, un'estetica moderna.
An international style, a modern appearance.

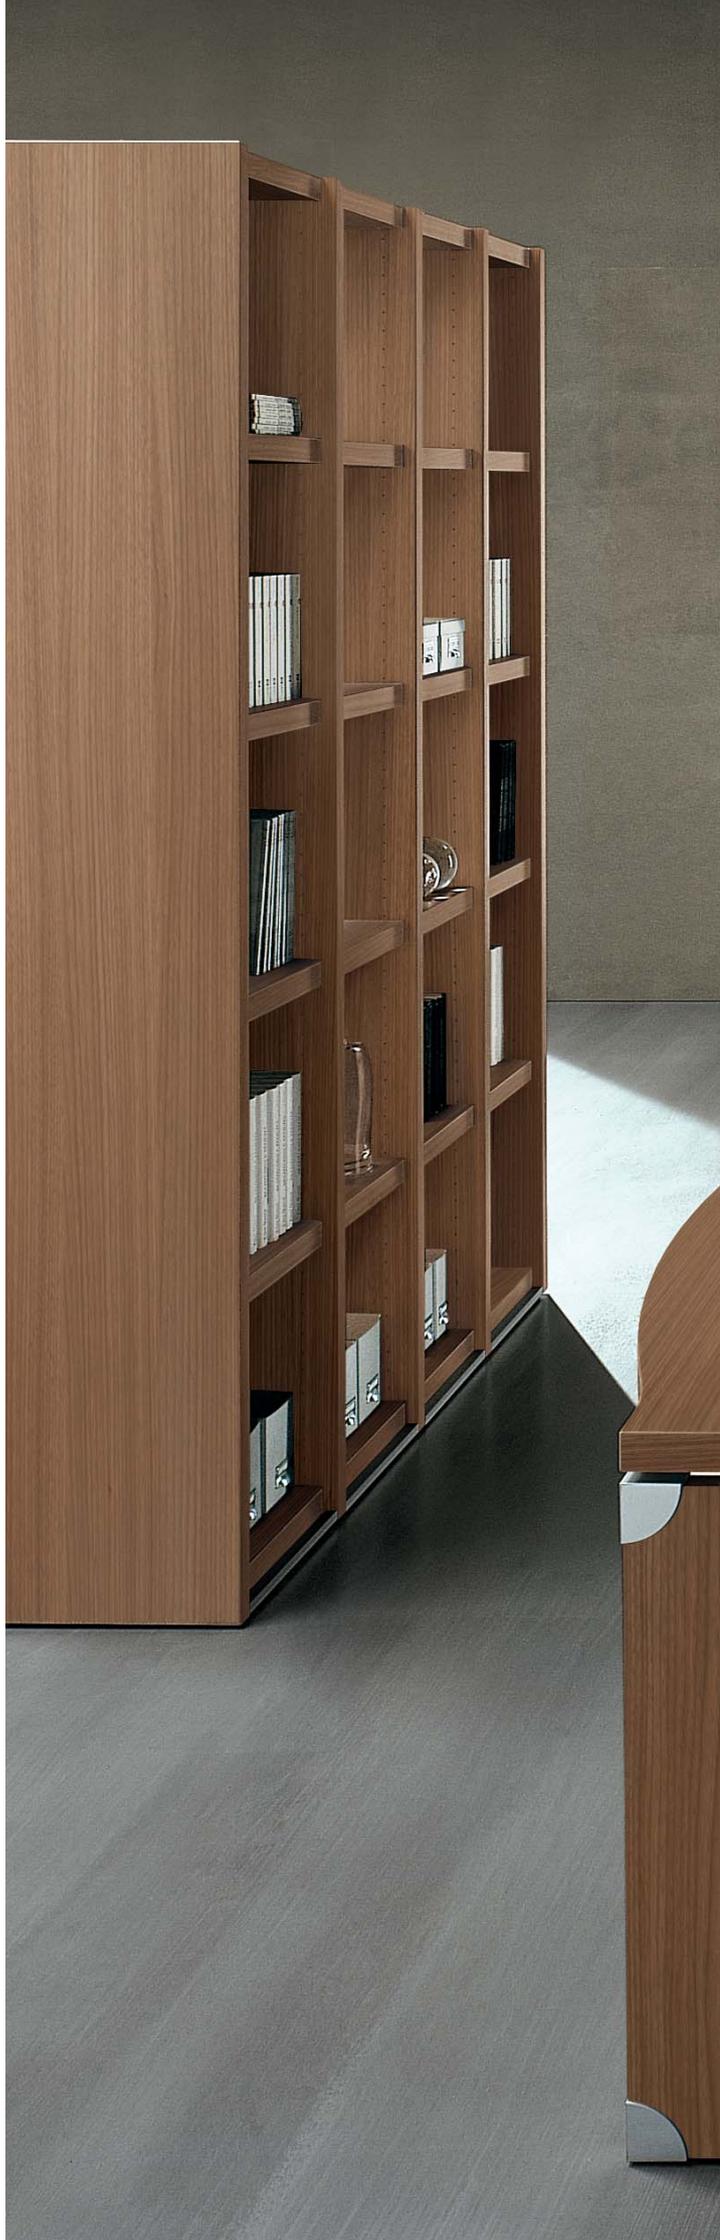

X•Time work

La naturalezza del legno noce per uno spazio puro nel gioco della luce. Un'essenzialità di volumi e linee per una concezione dello spazio vissuta in piena continuità con la sua funzione.

The naturalness of walnut wood for a pure space inside the light effects where volumes and lines are essential for a concept of space lived in continuity with its function.

X•Time work

La versatilità della collezione permette di declinare ogni elemento in composizioni dalla grande coerenza estetica. Personalizzare il proprio spazio è basilare per lavorare meglio.

X-time work versatility allows you to change the office according to each situation. Personalizing our office space is a premise to work better.

X•Time work / glass

Il lavoro e i rapporti interpersonali.
The work and interpersonal relationships.

X•Time work glass

Organizzare, discutere, incontrare, decidere, intorno ad un tavolo riunione. Uno strumento essenziale per esprimere le idee con stile e classe.
