

delphi  
designed by Boss

A British chair that exhibits all the hallmarks of timeless design. It is the definitive boardroom chair. Delphi is a demonstration of our commitment to consult with the people who are leaders in their respective fields to ensure our designs meet the highest expectations in every detail.

The ultimate boardroom chair. Stylish, ergonomic, cosmopolitan. Delphi is a chair with international appeal. It has become a metaphor for the successful enterprise.

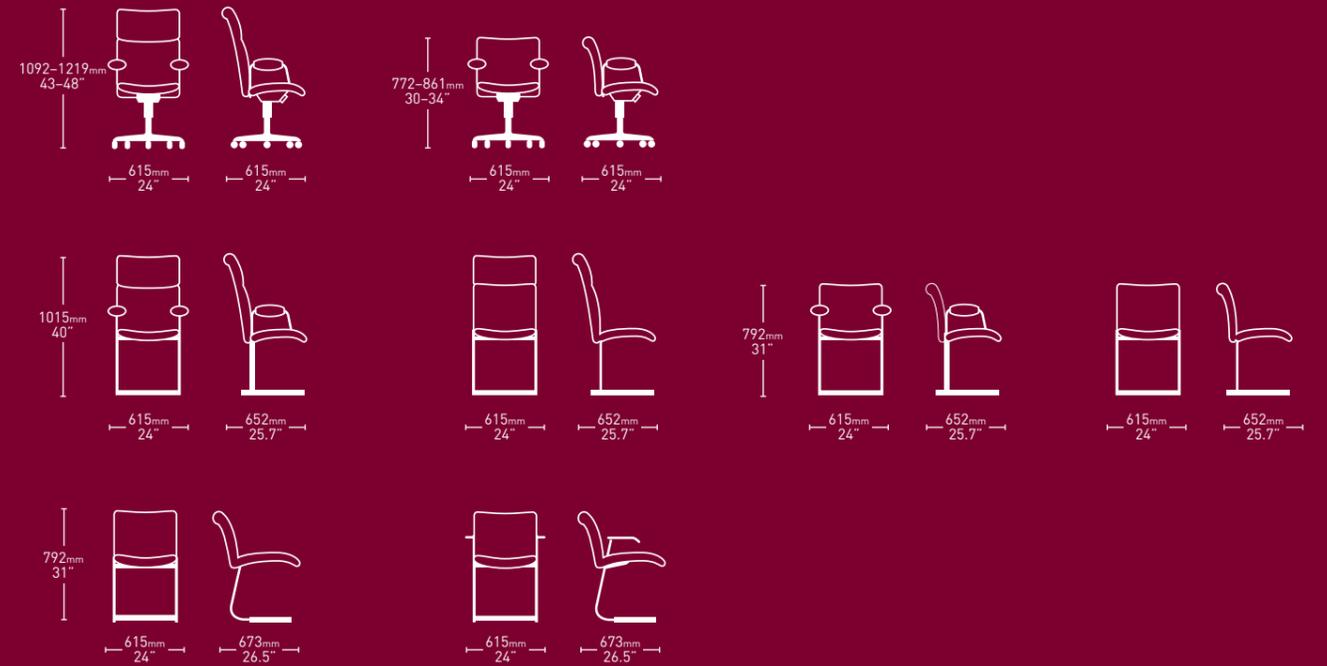

#### G8 Summit 2005

In 2005, for the second time, Boss supplied the seating used by the world leaders at the G8 summit held at Gleneagles, Scotland.

#### On Television

A classic that has stood the test of time, Delphi has featured in a variety of British TV news, current affairs and talk shows since the early eighties.

# delphi

Delphi comes with a chrome frame in three options: swivel, visitor and as a stackable cantilever. It is also available as both a high-back and a low-back.

#### Options

The Delphi high-back and low-back swivel is available with arms and polished aluminium base and optional knee tilt action.

The Delphi high-back and low-back visitor is available with arms as an option.

The Delphi low-back stacker is available with arms as an option which are either upholstered or PU.
