Collaborative Chair

Design: Orlandini Design

[www.planscape.co.uk](http://www.planscape.co.uk)

# CICERO

design: **Orlandini Design**

*Cicero the new "Collaborative Chair" from Edge Design, is the evolutionary response to the co-working and agility based trend we now find within the modern working environment.*

*Eloquence and expressive lines of it's sophisticated design, shapes and embraces your body, encouraging users to move and think more freely.*

*Cicero, for creative office and meeting.  
Cicero, making workplaces inspiring.*

### Fabric Groups

Please contact our Sales Desk for a price if a fabric is not listed. Please make sure you check the suitability of a fabric before recommending a product.

### Upholstery Shown

The material the product has been upholstered in is displayed under the Upholstery & Product Notes at the bottom of each pricing page.

While every effort is made to represent colours accurately, we cannot guarantee the colours exactly match the colours of the actual fabrics due to printing processes.

Please contact our Sales Desk if you would like a fabric sample sent to you.

### Colour Variations

Whilst every effort is made, no guarantees are made against the variance in colour of commercial fabrics, this may be apparent on repeat orders. All striped fabric will be upholstered vertically unless advised.

### Customers Own Material

Fabrics not listed or customer supplied fabrics (COM) need to be approved by Pledge Office Chairs before the acceptance of orders. A pattern charge may apply for some fabrics.

We also reserve the right to reject fabric that we believe to be unsuitable for the product.

We are unable to guarantee any product meeting fire regulations or standards which is supplied in a COM.

### Fabric Surcharge

Fabrics not listed in this Specification Guide may be subject to a £15 surcharge.

### Fabric Notes & FR Rating

**#Leather**  
Please note leather is a natural product and will crease and puddle with use.

### <sup>1</sup>FR Rating

Low:  
BS 7176:2007 Low Hazard  
BS EN 1021-1:2006 (Cigarette)  
BS EN 1021-2:2006 (Match)

Medium (Med):  
BS 7176:2007 Medium Hazard  
BS 5852:2006 Section 4 Ignition Source 5

**<sup>2</sup>Minimum Order Quantities Apply**  
Please contact the sales office for details.
