# SOLUTION

## Folding tables

Simple and functional, **Solution** folding tables allow you to create single or multiple layouts for multipurpose uses, meeting or training rooms.

## CHARACTERISTICS

## TECHNICAL DESCRIPTION

- 25 mm thick Structorex® melamine-coated tops with rounded corners for optimum comfort. 2 mm thick shock-proof ABS edging.
- Depth 70 cm to optimise space.
- In folded position the table is only 7 cm thick.
- The legs are equipped with adjustable screw feet giving up to 10 mm of adjustment.
- The folding mechanism of the legs was selected for easy handling and its secure locking system in open and closed positions.
